# Harmony Quilt

Introducing Andover Fabrics new collection: **Dovetail I Batiks** by Jo Morton  
Quilt designed and made by Candy Hargrove, quilted by Kathleen Webb

Quilt finishes 68" x 68"

*Sunshine and shadow shimmer in this lovely wall quilt made with softly colored batiks. The clever placement of light and dark patches blends together so beautifully that block edges are blurred, and the outer pieced border makes a subtle frame. A fun technique for making the half-square triangle units will speed you along to a satisfying finish.*

## Cutting Directions

**Note: Read assembly directions before cutting patches.** All measurements are cut sizes and include ¼" seam allowances. A fat ¼ is an 18" x 20"-22" cut. WOF designates the width of fabric from selvedge to selvedge (approximately 42" wide).

**Fabric A** Cut (8) squares 6" x 6" for HST for border  
Cut (8) rectangles 2½" x 6½" for border  
Cut (24) rectangles 2½" x 4½" for border  
Cut squares 6" x 6" for HST for blocks as desired (optional)

**Fabric B** Cut (7) strips 2½" x WOF for binding  
Cut (5 or 6) squares 6" x 6" for HST

**24 Mediums** From each:  
Cut (5-6) squares 6" x 6" for HST  
(Cut 136 squares total, including Fabric B squares)

**4 Lights** From each:  
Cut (33-34) squares 6" x 6" for HST  
(Cut 136 squares total, including Fabric A squares)

**Backing** Cut (2) panels 38" x 76", pieced to fit quilt top with overlap on all sides

## Making the Quilt

1. The blocks and pieced border are made with half-square triangle units (HST) that finish 2" square. Use your favorite method to make HST, such as half-square triangle paper. If you wish to piece HST in the traditional method, cut 3" squares in half diagonally, stitch a light and a medium triangle together, and trim to 2½" square. Read the rest of Step 1 for the number of HST to make.

**HST Technique:** These directions result in a set of 8 HST alike. Draw diagonal lines in *both* directions on the wrong side of the light print 6" squares and Fabric A 6" squares (Diagram 1). Position a marked square on top of a medium print square with right sides together. Sew a ¼" seam on *each* side of *both* marked diagonal lines. Use a ruler to cut the squares in half vertically and horizontally (shown in red on the diagram). Be sure that your rotary cutter goes through the exact center of the 6" square. This results in 4 squares 3" x 3". Cut each 3" square along the drawn diagonal line to make 8 HST (Diagram 2). Press the seam allowance to the medium fabric. Trim each square to 2½" (Diagram 3). Repeat with all 6" squares to make a total of 1,084 HST. A few HST will be leftover.

**Hint:** Set aside 60 HST made with Fabric A and medium prints. They will be used in the pieced border described in Step 5.

2. Referring to the Block diagram, join 16 different HST in 4 rows of 4 HST each, turning the HST to make the design as shown. Press the seam allowances in opposite directions in adjacent rows. Join the rows. Press seam allowances open. Make a total of 64 blocks like this. The blocks should measure 8½" square.
3. Referring to the Quilt Diagram, sew 4 blocks together in 2 rows of 2 blocks each to make a 4-block unit. Make 16 block units. They should measure 16½" square.

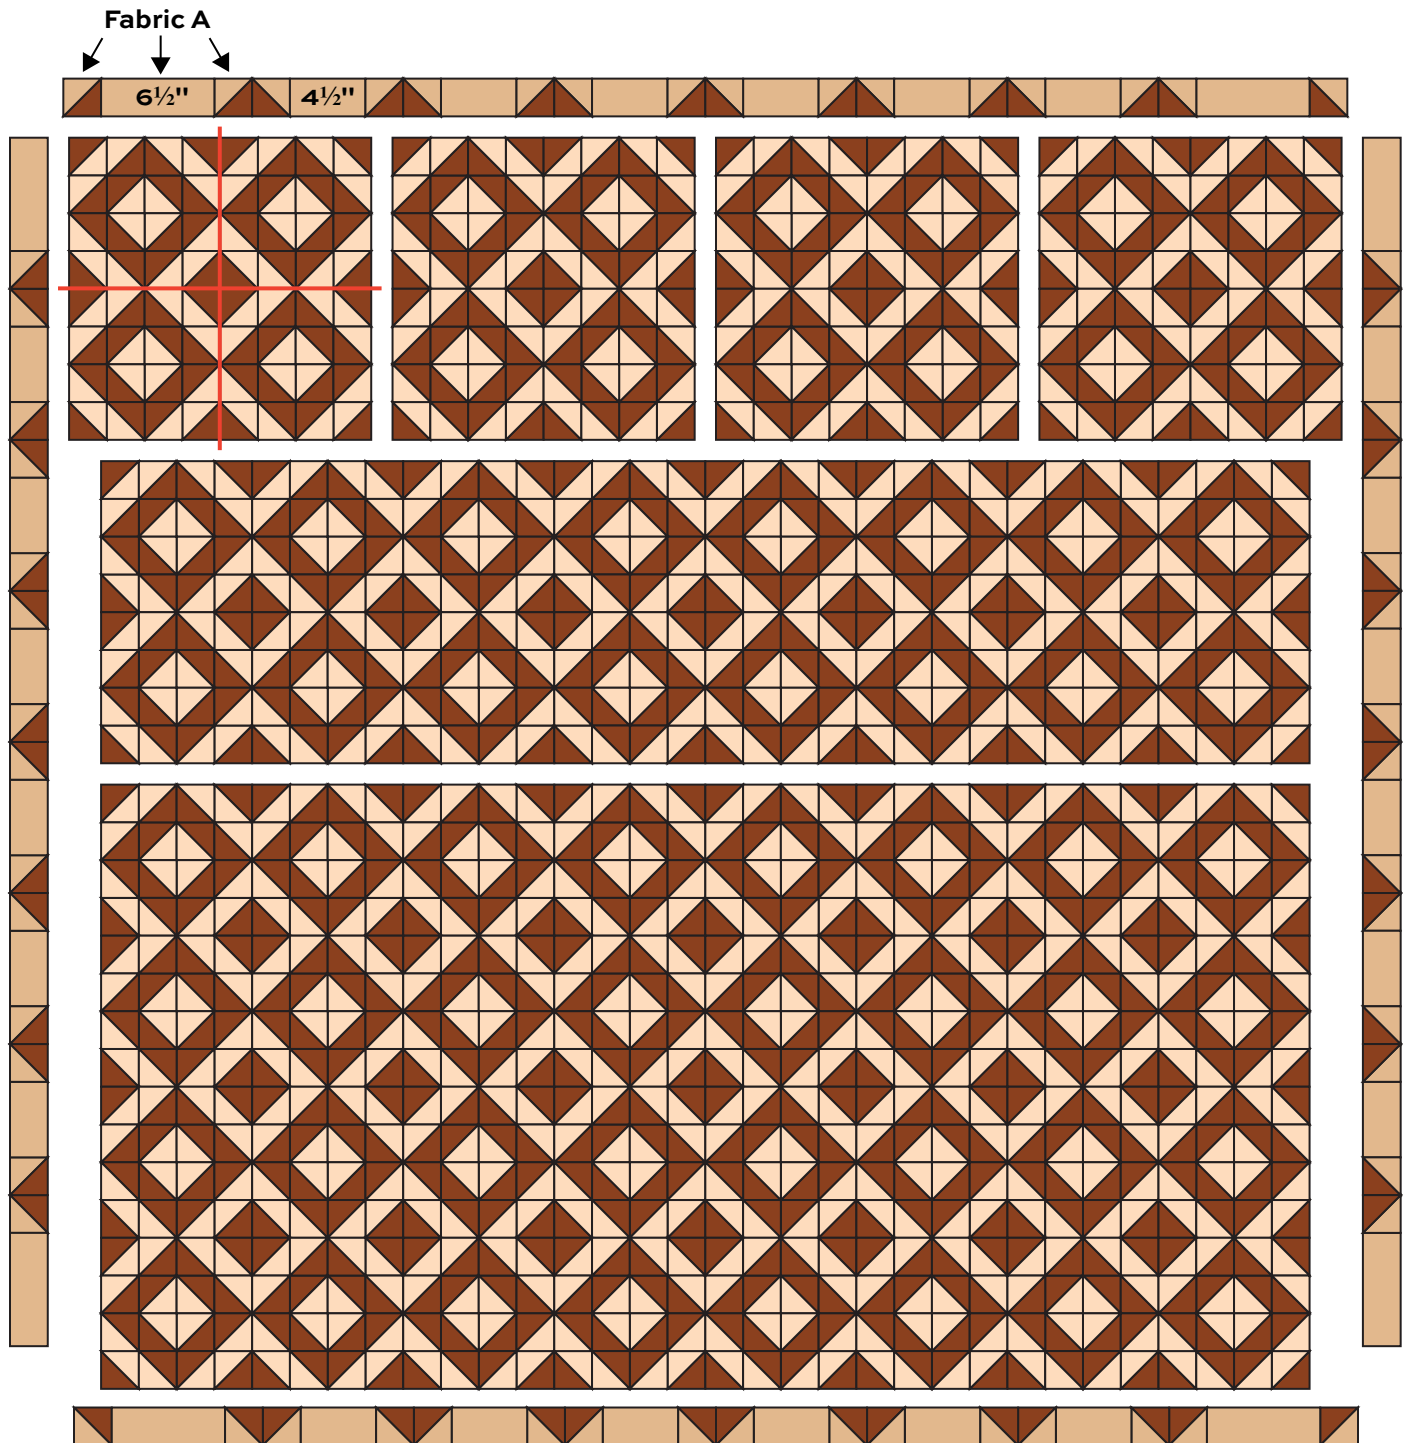

**Block – Make 64**

4. Join the block units into 4 rows of 4 units each. Press seam allowances in opposite directions in adjacent rows. Join the rows. Press seam allowances open.
5. To make the pieced border, sew 2 of the Fabric A/medium HST together side by side, referring to the Quilt Diagram for placement. Make 28 HST units like this. Join 7 units alternately with 6 Fabric A 4½"-long rectangles. Sew a Fabric A 6½"-long rectangle to each end. Make 4 borders like this. Sew pieced borders to opposite sides of the quilt. Sew a Fabric A/medium HST to ends of remaining borders, rotating as shown. Sew to the top and bottom of the quilt.

## Finishing the Quilt

6. Layer the quilt with batting and backing and baste. Quilt in the ditch around block and border patches. Bind to finish the quilt.
