Making the Quilt

1. Cut the 4 Fabric B lengthwise strips first. Cut the 4 crosswise strips from the leftover fabric. Lay out the 4 lengthwise strips end to end. Where they are to be joined, cut the ends at a 45-degree angle, following the printed stripe. Join the strips to make the left side border. Repeat these steps with the 4 crosswise strips to make the right side border.
2. Join the 3½" x 5½" rectangles edge to edge to make 2 vertical columns. Refer to the Quilt Diagram for color placement, or arrange them as you wish.
3. Referring to the Quilt Diagram, sew the borders in the order shown to sides of the Fabric C strip. Be sure that the 2 pieced columns line up with each other. Trim the borders and center strip even with the top and bottom of the pieced columns.

Finishing the Quilt

4. Layer the quilt with batting and backing and baste. Quilt in the ditch around borders and rectangles. Quilt around the printed motifs in the borders. Bind to finish the quilt.
