About Pearl Bracelets

Lizzy House's **Pearl Bracelets** has become an iconic print among modern quilters. Its charm and simplicity is only matched by its beginnings. Pearl Bracelets was originally a part of *Red Letter Day*, Lizzy's second collection, released in 2009.

The Pearl Bracelets pattern represents a gift that derives its meaning and significance from its giver: someone who meant so much to you that anything they gave you was as good as a piece of their heart.
