What wonderful presents have Santa and his little caterpillar helper left under the tree?

No one knows! But what fun to speculate what is hidden inside each of the pieced gifts.

Quick piecing methods make the presents easy to construct. Quilting around the center panel print will give the impression of appliquéd motifs.

- 1. Half-Square Triangles (HST):** The blocks require HST that finish 2" and 2½" square. Use your favorite method to make HST, or follow these directions. Draw a diagonal line on the wrong side of 2 Fabric D 2⅞" squares (Diagram 1). Place a marked square on a Fabric F square, right sides together. Sew ¼" seam on each side of the marked line; cut apart on the marked line. Press open to make pieced HST. Make 4 HST like this. Likewise, make 4 HST using Fabric D and Fabric E 3⅜" squares.

- 2. Flying Geese (FG):** Draw a diagonal line on the wrong side of Fabric I 2½" squares. Place a marked square on one end of a Fabric D 2½" x 4½" rectangle, right sides together. Sew on the marked line (Diagram 2); trim away and discard excess fabric. Press open. Repeat this process on the opposite end of the rectangle to make a Flying Geese Unit (Diagram 3). Repeat to make a second unit. Likewise, make 2 Flying Geese with Fabric H 3" squares and Fabric D 3" x 5½" rectangles. Set units aside.

- Referring to the block diagrams, arrange and join patches, HST, and FG units to make larger pieced units. Join the units to make blocks. Sew Fabric D strips to the sides, and then to the top and bottom of the blocks. Make 2 blocks of each kind.
- Referring to the Quilt Diagram, sew the long Fabric C borders to the sides of the Fabric A panel. Sew short Fabric C borders to top and bottom.
- Join 4 blocks in a vertical row in the order shown. Sew to the side of the quilt. Repeat for the opposite side.
- Sew short Fabric H borders to the sides. Sew long Fabric H borders to top and bottom.
- Sew short Fabric B borders to sides. Sew long Fabric B borders to top and bottom.
