# Nine Patch Star Quilt

Introducing Andover Fabrics new collection: **FRECKLES 2** by Karen Lewis Textiles

Quilt designed by Karen Lewis

Quilt finishes 66" x 66"

16 Blocks: 12" x 12"

*A softly colored palette is the charm of this wall hanging/throw quilt. The blocks are easy enough for someone with a little sewing experience.*

*Feel free to alter the combinations of fabrics and the arrangement of the blocks to make it uniquely yours.*

## Cutting Directions

**Note:** Read assembly directions before cutting patches. All measurements are cut sizes and include ¼" seam allowances. A fat ⅓ is a 9" x 20"-22" cut of fabric. A fat ¼ is an 18" x 20"-22" cut. Borders are cut the exact lengths required plus ¼" seam allowances. WOF designates the width of fabric from selvedge to selvedge (approximately 42" wide).

## Making the Quilt

1. Choose 2 fabrics needed for each block as shown in the Quilt Assembly. Draw a diagonal line on the  $2\frac{1}{2}$ " Star Fabric squares. Position a marked square as shown on one corner of a Background Fabric  $4\frac{1}{2}$ " square (Diagram 1). Stitch on the marked diagonal line. Cut away the excess fabric. Press the corner out. Make 4 Corner Units alike for each block.

2. Draw a diagonal line on the  $2\frac{1}{2}$ " Star Fabric squares. Position a marked square as shown on one end of a Background Fabric  $2\frac{1}{2}$ " x  $4\frac{1}{2}$ " rectangle (Diagram 2). Stitch on the marked diagonal line. Cut away the excess fabric. Press the corner up. Repeat this step on the opposite end of the rectangle (Diagram 3). Make 4 units alike for each block.

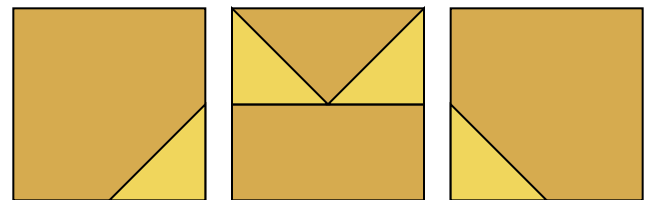

3. Referring to the Side Unit diagram, join a  $2\frac{1}{2}$ " x  $4\frac{1}{2}$ " rectangle to the unit from Step 2. Repeat to make 4 Side Units for each block.

4. To make the block, join the units into 3 rows in the order shown, adding the  $4\frac{1}{2}$ " square in the center. Stand back to be certain that the star points are rotated correctly. Join the units into rows, and then join the rows.

5. Follow the steps to make a total of 16 blocks.

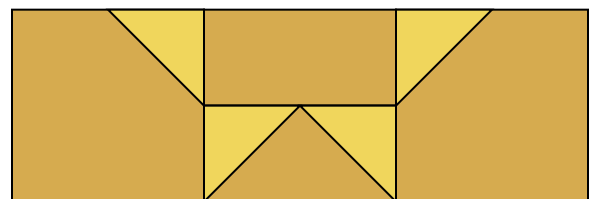

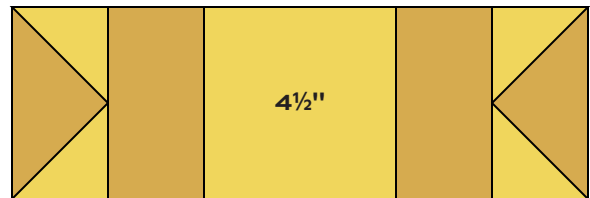

6. Refer to the Quilt Assembly. Arrange the blocks in the order shown or as you desire. Join the blocks into 4 rows, and then join the rows.

7. Sew short borders to the sides. Sew long borders to the top and bottom.

## Finishing the Quilt

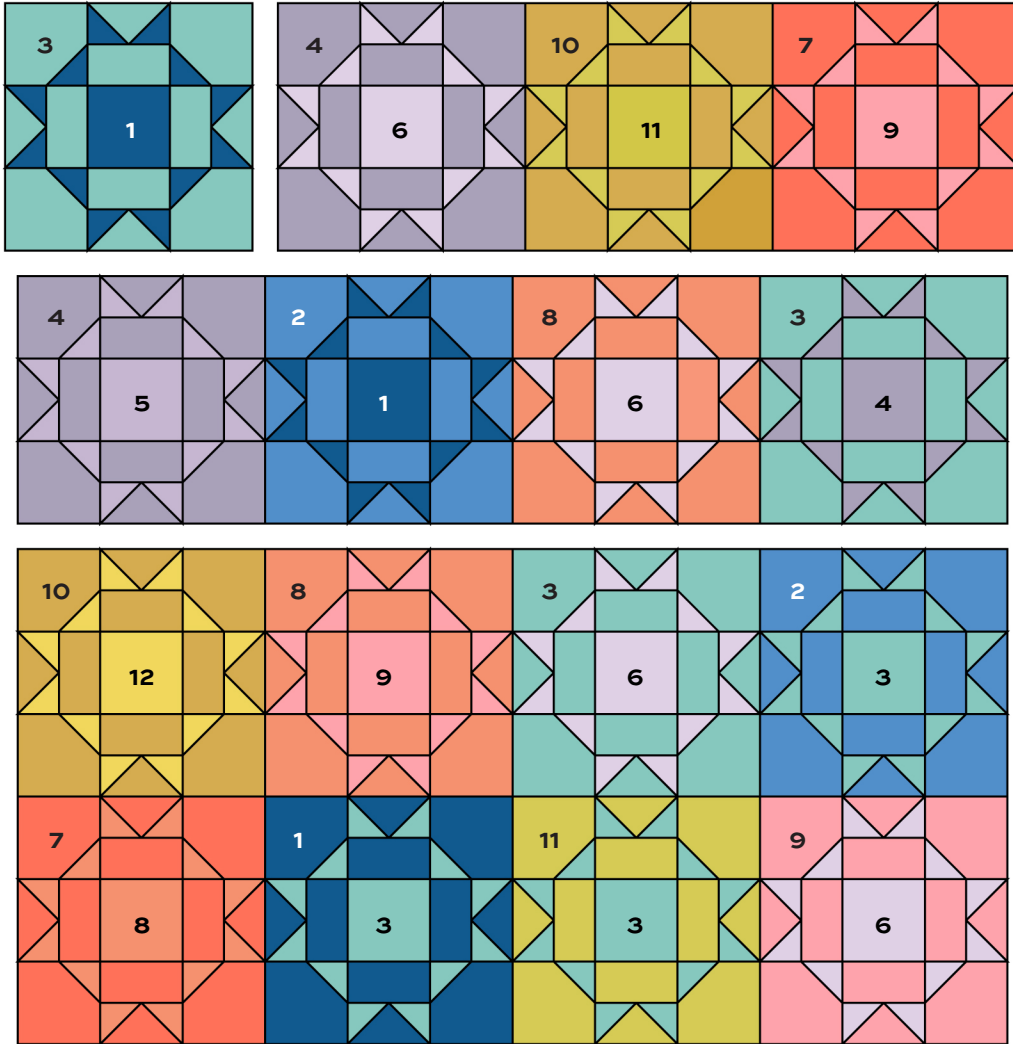

8. Layer the quilt with batting and backing and baste. Quilt in the ditch around borders and patches. Quilt the border as desired. Bind to finish the quilt.
