Making and Assembling the Quilt

- The blocks use half-square triangles (HST) that finish 3" square. Use your favorite method to make HST, or follow these directions. Draw a diagonal line on the wrong side of each Fabric D $3\frac{7}{8}$ " square. Place a marked square on a Fabric C square, right sides together. Sew $\frac{1}{4}$ " seam on each side of the marked line; cut apart on the marked line (Diagram 1). Press open to make pieced HST. Make 40 HST. Sew 4 H HST together to make a Unit 1 as shown. Make 10 Unit 1's for Block Y. Set aside.
- To make Unit 2's for Block Y, draw a diagonal line on the wrong side of each Fabric C $3\frac{1}{2}$ " square. Place a marked square on one end of a Fabric A $3\frac{1}{2}$ " x $6\frac{1}{2}$ " rectangle, right sides together. Sew on the marked line (Diagram 2). Trim away and discard excess fabric. Press open. Repeat this process on the opposite end of the rectangle using a marked Fabric G $3\frac{1}{2}$ " square. Make 40 Unit 2's.
- Referring to Diagram 3, sew Fabric A $3\frac{1}{2}$ " squares to ends of a Unit 2. Repeat. Sew Unit 2's to the sides of a Unit 1. Join the 3 pieced rows to make a block. Make 10 Block Y.
- Follow Step 1 using Fabric C and Fabric F $3\frac{7}{8}$ " squares to make 56 HST (Diagram 4). Join HST to make a total of 14 Unit 3's (10 for Block Z's and 4 for the outer border corner blocks).
- Referring to Diagram 5, sew Fabric A quarter-square triangles to all sides of a Unit 1. Press seam allowances away from the center. Sew Fabric D half-square triangles to the sides to make a block. Make 10 Block Z.
- Referring to the Quilt Diagram, join 2 Block Y and 2 Block Z alternately to make a horizontal row. Make 5 rows. Join the rows, turning every other row upside down to make the overall design.
- Sew long Fabric G borders to the sides of the quilt. Sew short borders to the top and bottom of the quilt. Sew long Fabric E borders to the sides and short borders to the top and bottom.
- Sew Fabric B crosswise-cut strips together so that the stripe motif is continuous and even. Cut borders as listed in the Cutting Directions. Sew long borders to the sides of the quilt. Sew leftover Unit 3's from Step 4 to ends of the short borders; sew to the top and bottom.

Finishing the Quilt

- Layer the quilt with batting and backing and baste. Quilt in the ditch around borders and block patches. Quilt as desired in the Fabric D triangles. Quilt along the printed stripe in the outer border. Bind to finish the quilt.
